

Powerhouse Membership

Cost: \$150 per month + per user monthly fee of \$5 per person

Cover the bases.

A broad suite of training modules and tools and resources that covers everything you and your team need to handle people in the workplace. The package contains a range of online learning modules, tools, tips sheets and resources as well as a free connection to our monthly webinar session. **Powerhouse** subscribers are also enrolled in our membership newsletter that shares resources, tips and blog posts each month.

The package includes: 25 interactive training modules.

The modules are self-directed, and each takes between 30 and 60 minutes to complete, on average, allowing learners to fit them into their day.

The modules included in the **Powerhouse** package are:

- Boosting Your Brain Power
- Building Brilliant Teams
